

# Brighter Strategies

Better process Brighter results

*Thank you for choosing Brighter Strategies Vision Boards for your training solutions. We have provided some ideas for use, but would love to hear from you. Please visit our website for more ideas from industry professionals, and share some of your own as well!*

## 1. Creative Thinking —

- a. Select 2 – 5 boards and tell a story about yourself, your career, your department, your organization, or your product
- b. Select 5 – 7 and set up one vision board at different stations. Walk from station to station and think about a problem and use the image as a lens to think about that problem as a quiet, reflective closing experiential exercise

## 2. Conflict Resolution — choose a board that describes where your division/organization is and one that illustrates where you want to be

## 3. Icebreakers — choose a board(s) or to describe yourself

- a. Something you want to accomplish
- b. Something you have experienced
- c. Tell a story about yourself using 3-5 of the vision boards
- d. Who or what would you be in this photo and why
- e. Choose boards that show what you think or hope this workshop/training might produce

## 4. Brainstorming — find a board(s) and

- a. describe a new idea that it sparked and the connections you made to that image
- b. tell how that board makes you think of a solution to a problem
- c. create a story with yourself in the image
- d. create a story with your organization in the image
- e. place your client in the image and tell a story
- f. place your product/service in the image and tell a story

*continued on the back of this sheet*

## 5. Leadership —

- a. choose 2 – 3 vision boards that visually represent your leadership goals
- b. choose vision boards that visually represent where you want you and your employees to be in 6 weeks, 6 months, 16 months or 6 years.
- c. choose boards that show a progression of the steps you want to follow to solve a problem

## 6. Teambuilding — choose boards that

- a. describe your team
- b. illustrate who you want your team to be
- c. show what you don't want your team to be — non-example
- d. provide your vision of what you want your team to accomplish
- e. tell a story about your team
- f. show how your team will solve a problem — either real or imagined

## 7. Reflection —

- a. choose 5 boards that you like, that you are inspired or challenged by
- b. choose your favorite vision board and try to discern how that board might inform changes in your life or work

## 9. Strategic Planning — choose a board series that illustrates

- a. where you/your organization are now
- b. where you/your organization want or need to be
- c. how you/your organization will get there
- d. what obstacles you/your organization must overcome

## 10. Personal Development — choose a board that illustrates

- a. what skills/knowledge you would like to have
- b. what skills/knowledge you would prefer not to have
- c. where you see yourself in 6 months
- d. where you see yourself in 6 years
